Avtex Solutions and DialPro Tennessee Join Forces

Sixth Acquisition for Avtex in 6 years

MINNEAPOLIS--([BUSINESS WIRE](#))--Avtex Solutions, LLC announced today that it has acquired DialPro Tennessee, Inc of Nashville TN. This acquisition merges two companies focused on contact center, unified communications, IP Telephony, and network solutions. The combined companies will operate as Avtex Solutions based in Minneapolis MN.

According to Robert Denman, President of Avtex Solutions, "This moves us closer toward our goal of expansion in the southeastern area of the United States, increases our customer base and offers exciting growth opportunities for our employees."

John Mennen, President of DialPro Tennessee said, "The combination of the two companies will bring unified communications, contact center and enterprise solution expertise to our current clients and a broader market of companies in the Southeast Region. Avtex adheres to the same principals as DialPro Tennessee with regards to providing extraordinary customer service to their clients. Both companies have a large base of legacy voicemail systems that will continue to be supported at the highest level."

Denman indicated this marks the sixth acquisition for Avtex over the last six years. Avtex acquired Delta Communications of Milwaukee WI, in October 2008; Perimeter Technology of Atlanta GA, in November 2007; Interactive Solutions International LLC (ISI) of Cincinnati OH, in March 2006; Telstar Communications, Inc., of Appleton WI, in August 2005; and Soltris, Inc., of Minneapolis MN, in June 2003.

About Avtex Solutions, LLC – Avtex Solutions, a unified communications solution provider, offers multimedia contact center, IP Telephony, messaging applications, enterprise-wide collaboration, emergency notification and network solutions. Avtex is a Microsoft Certified Gold Partner and an Interactive Intelligence Platinum Elite Partner and a VAR (Value Added Reseller) for Cisco, Blue Coat, Infoblox, and Bluesocket. Avtex has a staff of software developers, systems engineers, network engineers, system design consultants, project managers, customer support personnel and field technicians that are trained, certified and specialize in mission critical applications. Based in Minneapolis since 1971, Avtex is **One of The Marquette Technology Companies** and supports over 650 customers across the United States and in six countries. In addition to Minneapolis, Avtex has offices in Milwaukee and Appleton WI, Des Moines IA, Cincinnati OH, Atlanta GA, and now Nashville TN.

About DialPro Tennessee – DialPro Tennessee was founded in 1987 as a premier provider of Integrated Voice Processing technology solutions for OPCOM, VMX, Octel and Avaya. In 1997, they became a VAR (Value Added Reseller) for Interactive Intelligence designing, implementing and supporting the Interaction Center Platform. DialPro Tennessee has a long history of deploying problem-solving technology in customer-centric environments in Tennessee and the surrounding states.
